According to the Division by-laws (available at: https://www.asee.org/documents/member-resources/divisions/bylaws/EDGD-Bylaws-2019.pdf), the chair of the Nominating Committee shall transmit the slate of candidates to the Editor of the Journal for publication. The candidates for the election are as follows:

**Vice-Chair**

**Dr. Steven Nozaki** is an Assistant Teaching Professor in the Mechanical Engineering Technology department at Penn State Behrend. His teaching focus is on engineering graphics, production design, and mechanics. He earned a BS and MS in Civil Engineering along with a MA and PhD in STEM Education, all from The Ohio State University. His research interests include improvement of spatial visualization skills, assessment in education, and engineering graphics and design.

**Secretary/Treasurer**

**Dr. Matthew Wettergreen** is an Associate Teaching Professor at the Oshman Engineering Design Kitchen (OEDK) and is Director of the Master of Bioengineering Global Medical Innovation (GMI) Program. While at the OEDK, Wettergreen has co-developed six of the seven engineering design courses in the design curriculum, including the flagship first-year engineering design, the Prototyping and Fabrication course, and the first engineering design minor in the US. Wettergreen has over ten years of experience teaching client-based engineering design courses, and a deep interest in engineering education, specifically curriculum that can be employed to build capacity for student development in makerspaces.

Dr. Wettergreen took his Ph.D. in Bioengineering at Rice University and his B.S. in Bioengineering from the University of Illinois at Chicago.

**Director of Publications**

**Dr. Nancy E. Study** is a faculty member of the School of Engineering at Penn State Behrend where she teaches courses in engineering graphics and rapid prototyping and is the coordinator of the rapid prototyping lab. Her research interests include visualization, standardization of CAD practices, and haptics. Nancy is a former chair of the ASEE Engineering Design Graphics Division and is currently the Circulation Manager and Treasurer of the Engineering Design Graphics Journal. She received her B.S. from Missouri State University, and M.S. and Ph.D. from Purdue University.
